

NHBCUAAF
National Historically Black Colleges & University Alumni Associations Foundation

Dear NHBCUAAF Supporter:

The National HBCU Alumni Associations (NHBCUAAF) Foundation is hosting its 10th Annual National HBCU Alumni Associations Alumni Leaders' Conference, on Saturday, August 10, 2024. The Conference will be held virtually. We are requesting your organization's support of our Conference as a corporate sponsor.

The 2024 theme is **"The Role of HBCUs in the 2024 Election"**. During the Conference, the focus will be on how Alumni Associations can impact student engagement to provide advocacy for their respective HBCUs. The NHBCUAAF will update the attendees on progress made since last year's Conference and how our collaboration with nonpartisan organizations, students, faculty, faith-based organizations, industry, and federal and community organizations have evolved over time. The Conference is strategically designed to share lessons learned, plans, preparation for future elections, and how alumni associations can design, implement, and execute the model. Participants will be able to ask questions of facilitators and panelists to strengthen and sustain their organizations through civic engagement and advocacy. We anticipate participants from various HBCUs and other Colleges and Universities including administrators; faculty; staff; students; alumni; and high school students interested in attending college.

I have attached our **"Levels of Sponsorship and Benefits"** form for your convenience and completion. You can view more information regarding the Conference at <https://nhbcuaaf.org>.

Please contact Walt Weatherington at treasurer@nhbcuaaf.org by **July 31st, 2024**, of your decision to serve as a sponsor in supporting our event. Let us know if you have any questions or require additional information to assist you in deciding to support our most noteworthy alumni association event.

Sincerely,

Walt Weatherington – Treasurer – treasurer@nhbcuaaf.org
