Dear [Sponsor Name]:

The National HBCU Alumni Associations Foundation (NHBCUAAF) is proud to announce its **12th Annual National HBCU Alumni Associations Alumni Leaders Conference**, which will be held virtually on Saturday, August 8, 2026. This year's conference theme, "HBCU Alumni Associations: Collective Power, New Resources for a New Era," reflects the growing importance of alumni leadership in helping strengthen and sustain Historically Black Colleges and Universities (HBCUs) during a critical time in higher education.

The conference will bring together HBCU National Alumni Association leaders, alumni chapter leaders, administrators, faculty, students, community leaders, and supporters from across the nation to discuss real solutions and innovative strategies related to:

- Alumni engagement and leadership development
- Fundraising and sustainable operating strategies
- Student engagement and career development support
- Civic engagement and advocacy
- Professional development and organizational growth
- Partnerships that strengthen HBCU alumni associations and their respective HBCU

As an organization committed to empowering HBCU alumni associations and preserving the legacy of HBCUs, NHBCUAAF believes this conference serves as a critical platform for education, collaboration, and collective action.
